

## Workshop CLASSLA-Express Using corpora in language research

This workshop aims to show participants how to use the CLASSLA web corpora in language research. It comprises hands-on exercises showing how to create queries in corpora for Slovene, Croatian and Serbian. The workshop is aimed at linguists, lexicographers, computational linguists, corpus linguists and digital humanities scholars. **Participants are kindly requested to bring their own laptop.**

The workshop will be held as part of the international conference *Language Technologies and Digital Humanities 2024*. Participation is free of charge. The workshop is funded by CLARIN.SI – Slovene Common Language Resources and Technology Infrastructure (<https://www.clarin.si/info/k-centre/>).
