

## Workshop CLASSLA-Express Using corpora in language research

This workshop aims to show participants how to use the CLASSLA web corpora in language research. It comprises hands-on exercises showing how to create queries in corpora for Bosnian, Croatian, Macedonian, Serbian and Slovene. The workshop is aimed at university students, linguists, language teachers, lexicographers, corpus linguists and digital humanities scholars. **Participants are kindly requested to bring their own laptops.**

Participation is free of charge. The workshop is funded by CLARIN.SI – Slovene Common Language Resources and Technology Infrastructure (<https://www.clarin.si/info/k-centre/>).
